EGO Egocentric Data Sourcing Guide

We continuously buy stereo egocentric (EGO) real-task data, prioritizing niche, high-value and difficult workflows. Accepted data is paid per valid hour after quality control.

US$15–20 /hour

Buy rate for accepted data, set by task difficulty & quality
Niche, high-value scenarios prioritized with premium rates

PRIORITY SCENARIOS (easy to source, high difficulty)

A Precision & Craft Repair

- ☐ Watch & clock repair
- ☐ Metalworking
- ☐ Jewelry engraving, etc.
- ☐ Racket stringing
- ☐ Garment / shoe / leather repair

B Equipment & Industrial Repair

- ☐ Electronics / appliance repair (non-assembly)
- ☐ Auto & industrial machinery repair
- ☐ Printing press setup & operation
- ☐ Server-room maintenance
- ☐ Hotel facility maintenance (full process)

C Construction & Finishing

- ☐ Electrician fit-out
- ☐ Tiling
- ☐ Woodworking

D Medical • Service • Lab • Office

- ☐ Ophthalmology / dental clinics (**mask faces**)
- ☐ Pet grooming
- ☐ University lab / workshop experiments
- ☐ Financial reconciliation (real)

DO NOT COLLECT (SATURATED)

Saturated — not accepted

Pick-and-place / carrying · Assembly · Food preparation · Routine cleaning

Exceptions: floor stripping/waxing and machine maintenance are accepted. Rule of thumb: niche, high-value scenarios are almost always wanted.

CAPTURE & SETTLEMENT REQUIREMENTS

Capture

Use a **stereo egocentric device** (e.g. Y6); capture **real, complete workflows**; hands in view and clear; **mask patients/third parties or obtain consent**.

Delivery & Payment

Paid per valid accepted hour after **QC**, at **US$15–20/hour**; premium for niche/high-value. Contact sales to partner.
